Brisbane Private Hospital is a privately managed 160 bed acute private hospital, with a busy state of the art theatre complex and post anaesthetic care units. Offering medical, surgical, rehabilitation and day oncology services our hospital has a 10 bed Intensive Care Facility with 24 hour medical coverage and full time intensive care specialists.

We pride ourselves on the quality of care. Our patients are treated in a caring, friendly and professional manner. Our staff strive to offer the highest levels of customer service to each and everyone. We understand the important role our hospital plays in your recovery and ensure we do everything we can to give you're the best possible experience during your stay.

Brisbane Private Hospital offers a unique combination of specialist medical and surgical services. Our doctors are among Australia's leaders in research and practice in the fields of Orthopaedics, ENT, Vascular, Urological, Colorectal Surgery, Oncology and Gynaecology / IVF.

Our onsite services include:

- Damascus Health Services
- Hand and Upper Limb Services
- Hip and Knee Replacement Services
- IVF Services
- Knee and Shoulder Surgery Clinic
- Lithotripsy Services
- Oncology and Day Oncology Services
- Orthopaedics and Sports Medicine Services
- Pathology Services
- Pharmacy Services
- Physiotherapy Services
- Rehabilitation Services
- Spinal Surgery Services
- X-ray and Radiology Services

Brisbane Private Hospital offers easy access to onsite parking. As the hospital is so centrally located, short stay accommodation is available for patients and visitors from outside Brisbane at a number of locations, most within an easy walk. Please access our website www.bph.com.au for a listing of accommodation options in this area.
