

Peninsula Private is a 69 bed Hospital located on the beautiful Redcliffe Peninsula just north of Brisbane.

We embrace both a Work/Life Balance Philosophy and the FISH Philosophy and offer a supportive educational environment.

***Our Specialties include:***

Surgical Suite offering Orthopaedics, General Surgery, ENT, Ophthalmology, Urology, Gynaecology and Cosmetic Surgery.

We also have established a Rehabilitation Unit, 20 beds on campus with resident Physiotherapists, Occupational Therapists and offer Orthopaedic and Neuro Programs as well as general rehabilitation.

Our 27 bed Medical Ward caters to our resident population on the Peninsula and surrounding areas.

The Surgical ward is a 22 bed Unit with a newly developed 6 chair Day Surgery Centre.

Peninsula Private Hospital has 2 Operating Theatres as well as a busy Endoscopy Centre.

***We Offer:***

Our New Graduate Program offers three month rotating placements in each of the areas within the hospital – Surgical, Medical, Rehabilitation and Peri-operative Services, with extensive education and the support of a Clinical Educator, Preceptors, NUMs and all staff attached to the various areas within the hospital.

***Specialty Education includes:***

The New Graduate Nurse is offered comprehensive education within the Peri-operative area – including Anaesthetics, Pre-Op, Scrubbing and Scouting, and Post operative Recovery.

***Enquires and applications:***
