

Healthscope

A career without boundaries

Graduate Nurse Program

Let us make you into the nurse you want to be with our complete Graduate Nurse Program

Healthscope is a leading national and international private healthcare provider in the unique position of being a growing company operating hospitals, pathology services, medical centres and diagnostic imaging services. We are a preferred employer of health professionals with a diverse, committed and highly skilled workforce of more than 17,000 people.

Healthscope's Graduate Nurse Program is a flexible 52 week program that allows the newly Registered Nurse to make the transition from Student to Registered Nurse in a supportive environment.

The Graduate Nurse Program Includes:

- Comprehensive Orientation
- Paid study days to support and encourage growth
- 2 - 4 Rotations per year (site specific)
- Inter-hospital rotations available
- Preceptorship support
- Full-time or Part-time employment
- Opportunities for education in speciality area's, with financial assistance

Rotations site specific and may include:

Operating Suite, Intensive Care, Coronary Care, Rehabilitation, Cardiothoracics, Midwifery, Medical, Surgical, Accident Emergency, Oncology, Neuroscience and Day Procedure.

45 Private Hospitals

50 Medical Centres

63 Pathology Laboratories

Endless opportunities for career development
